An imposing landscape as a backdrop to your living space.

montanaa 24250 can be used across your entire living space with individual adaptations, especially because of its wide variety of different surfaces and colours. The accentuated loose finish adds to the comfort factor. The model is available in two different leg and seat heights. Design: Anke Reuter

Leg and seat heights

The model is available in different seat heights according to the different leg heights. The leg version has to be indicated.

Contrasting thread

In some leather and fabric colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

Castors for ottomans

The ottomans can be equipped with castors for surcharge. Two of the castors can be created. Thus a big surface can be created.

Metal colours for legs

Some legs can be ordered in high-gloss chrome-, silver, bronze- or black-coloured. Please indicate when ordering.

Base

The base wonderfully integrates into the furniture design. It is covered with the chosen leather or fabric.

ORDER INFORMATION

Back sides of sofas:

All pieces are genuinely upholstered at the back.

Positioning diagram:

Please send us a positioning diagram, depending on the different variations available. The connecting sides got marked in red for some elements in the type guide.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch

fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours

in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

All of the dimensions given are approximate. dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height and refer to the leg height ca. 13 cm.

Seat depth: approx. **58 cm**

Seat height: ca. **43cm /45 cm**

Model-related feature:

The upholstery is deliberately processed

casually to create a certain visual appearance. Waving is not a quality defect, but a model-related feature that ensures optimum seating comfort.

Information on the upholstery structure:

Chamber cushions filled with a high-quality mix of polyester fibres and foam rods have been used in the seat and back. This can lead to depression of the individual chambers, which is a typical product characteristic.

Base leg Z:

If elements and sofas without or with 1 arm part are to be placed directly against elements or sofas without or with 1 arm part, a base leg Z is required and must be ordered.

Digital fabric/leather and colour samples:

The visual appearance of the covers and colour samples may vary, samples in accordance - colour and structure deviations possible.

Leg and seat heights:

Due to different leg heights, the model is available in different seat and total heights. The leg version has to be indicated.

Metal colours:

The metal legs F C3/F C4 and F F5/F F6 are

available in different metal colours. Please indicate the colour when ordering.

Powder-coated:

The colours M21 silver, M56 bronze and M99 black are powder-coated.

Castors for ottomans:

Every ottoman can be equipped with castors against surcharge. The item number is RO. Two of the castors can be fixed. Please note, that the castors are available in different heights.

Legs and floor protection:

With slim furniture legs with a small gliding surface, there is increased pressure on the floor. We recommend fitting glides or an underlay to protect against scratches and pressure marks on sensitive floors.
