Metal colours:

All legs are available in different metal colours. Please indicate when ordering.

Powder-coated:

The colours M21 matt chrome appearance, M56 bronze and M99 black are powder-coated.

Legs and floor protection:

In the case of very slender furniture legs in deliberately filigree shapes and with small surfaces it comes to a raised pressure on the floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you hardly slip the furniture it can be helpful have a carpeted floor.
