Please send us a positioning diagram, depending on the amount of different variations available. We have marked the connecting sides in red for end elements in the type guide.

Connecting sides:

For a surcharge, the connecting sides can be supplied in the original cover instead of stretch fabric.

Seam appearance:

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread at no extra charge. You will find the specified colours in our fabric/leather trolley. Please state the no., otherwise tone-in-tone will be delivered.

All of the dimensions given are approximate dimensions in cm in width/depth/height/seat height. We reserve the right to make changes. The depth includes the overhang with the headrest folded back.
