

W.SCHILLIG

FABRIC TRIANGOLO

triangolo – elegant chenille flat fabrics with development of utility lustre in velvety feel and very beautiful changeant effect. Contrasting yarns and the special weave create a dazzling appearance, with light-dark effects depending on the incidence of light.

Product width: approx. 140 cm

Abrasion cycles: as per RAL 430/4 for working on upholstered furniture

Composition: NS: 75 % polyester, 16 % cotton, 9 % poly-acrylic

GS: 75 % polyester, 16 % cotton, 9 % poly-acrylic

Scrub resistance: good

Rub fastness (colour wear): good

Light fastness: good

Pilling behaviour: good

Right reserved to make structural and colour changes!

Care and cleaning: with commercially available products.

Please note:

- Every flat woven fabric will become roughened during use.
- Nap changes (seat shine/shiny areas) are unavoidable with all chenille fabric.
- The chenille effect will become somewhat flatter over time.
- When in use patina and shiny patches must be expected.
- Contrasting colours convey a sheen. The incidence of light will cause light and dark effects.
- The weave produces light and dark variations/incidence of light or raster variants, e.g. stripe effect.
- Water should be dabbed off as water stains can remain easily visible.

Caution: Discolouration caused by textiles are excluded from every manufacturer warranty.
